

Abstract Submission Portal User Guide – Author

Please note: “Paper Submission” is the default system label for this submission portal. Authors are only required to submit an **abstract**, not a full paper.

1. Getting Started: Create a UVENTS Account.

Create an account: [click here](#)

2. Abstract Submission Portal

Access the abstract submission page: <https://uvents.nus.edu.sg/event/apruscl>

3. Submitting your abstract

Click on “Paper Submission”, then “New Submission”

3.1. Fill in the submission form

- 3.1.1. Title: Maximum 20 words
- 3.1.2. Abstract Body: Maximum of 300 words to outline the research aim, question, methods, preliminary/expected results, and practical implications
- 3.1.3. Select submission track from dropdown list
- 3.1.4. Select submission type from dropdown list
- 3.1.5. Keywords: Up to 5 keywords may be included.
- 3.1.6. Author Information: Provide your affiliation, position and country.

Click “Edit”, enter your affiliation and position. Click “Update Author”

Name	Email	Actions
Test	test@nus.edu.sg	Edit
Test 2	test2@gmail.com	Edit Delete

3.2. Click “Preview Paper”, and “Submit Paper”

4. Successful submission

You will receive an automated email from UVENTs titled “Acknowledgement of Paper Submission”.

Please contact apru-scl2027@nus.edu.sg if you did not receive the acknowledgement email.

5. Editing your submission

You may access the abstract submission portal to edit your submission until the stipulated deadline: [deadline], after which the submission will be locked.

6. Withdrawing your submission

There is no option to withdraw or delete the submission. Please email apru-scl2027@nus.edu.sg to request removal of the submission.

7. Notification and acceptance

Submission results will be communicated to you by 15 January 2027 via email from UVENTs@nus.edu.sg and apru-scl2027@nus.edu.sg. You may access the [submission portal](#) to view the reviewers' comments.

Under **Decision**, you will see your submission result and the option to respond to the offer. Please submit your response to accept or reject the offer to present by 1 March 2027.

8. Contact for technical issues

If you experience any technical issues while creating your UVENTs account or submitting your abstract, please contact apru-scl2027@nus.edu.sg for assistance.

When contacting us, please include your name, submission title (if applicable), and a screenshot or brief description of the issue.
